(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

As may be noted from the attached, the Abstract page has been in this file for many years. Had the PTO responded to Applicant's Reply to Notice to File of Missing Parts, in which the requisite filing fee and surcharges were enclosed, the Applicant would certainly have further responded by immediately forwarding the Abstract in question. Accordingly, most of the period of delay in the submission of the Abstract in question was the result of the non-response of the PTO to Applicant's Reply to Notice to File of Missing Parts. As such, the present petition should be viewed as one for the revival of an application which was abandoned unavoidably.

(Please attach additional sheets if additional space is needed.)
